

Teacher Education around the world

Global perspectives
Research
Cooperation
Development

2 webinars across 2 oceans Atlantic & Pacific

The **associations** focused on teacher education issues **meet online** to discuss fundamental matters concerning the development of teacher educators, preservice teachers and teacher education programmes.

The **webinars** will be arranged as **round tables** with international scholars.

Participants will be able to submit questions and **interact** with the presenters.

Topics:

- how to implement research&cooperation activities among the associations and their members
- how to share perspectives/aims of teacher education programmes through different cultures and educational systems
- how to support the teacher educators' professional development around the world
- how to 'connect' with each other when international travel is not possible
- how to develop the Global Competence within our teacher education programmes
