

Opportunity to be **active, involved,**
influential and **leading** in teacher
education in Europe

Benefits of an ATEE membership

Association for Teacher Education in Europe

Networking: research, innovation and policy

- Access to a rich network (EU and beyond), which stimulates international exchange of practices, active dialogue, knowledge dissemination and joint research, writing and publishing;
- Possibility to engage with other members in (funded) joint research- and innovation projects;
- Possibility to join the **ATEE's expert-database**, which includes those who are willing to represent the association at academic events, professional committees, international organizations (e.g. UNESCO) and calls for experts;
- Access to collaboration within RDC's on several topics / themes. RDC's consist of groups of experts in a specific field of Teacher Education;
- Possibility to engage in EU working groups or other activities that are related to EU-policy regarding education and teachers.

Association for Teacher Education in Europe

Scientific journals, writing and publishing

- Free online access to:
 - European Journal of Teacher Education (EJTE)
 - College Teaching
 - Teachers & Teaching
 - Journal of Education for Teaching
 - Studying Teacher Education
 - Journal of Curriculum Studies
- Possibility to get support in publishing in the EJTE;
- Possibility to join in as an author in the ATEE book series;
- Free language support. Annually up to 10 articles of a maximum of 7,000 words in length, will be eligible for complementary 'Premium Editing' through the T&F language editing and translation service.

Association for Teacher Education in Europe

Conferences and other (online) events

- Access to inspiring and well-attended (online) conferences (3 times a year), hosted by different countries throughout Europe;
- Access to (online) conferences allows you to be active as presenter (presenting your work and expertise), moderator or key-note speaker;
- Access to other (online) activities, e.g. weblectures, seminars, discussion groups, webinars, brainstorm sessions and working groups;
- Publication of open-access conference proceedings with an ISBN code.

ATEE
Association for Teacher Education in Europe

Strengthen leadership skills within the ATEE

- Possibility to take part in decision-making and policy-making procedures as a member of the General Assembly;
- Possibility to lead the association as a member of the Administrative Council. *The deadline call for three new members of the AC is 22 March 2022.*
- Possibility to lead a RDC as a (co)chair.
